Reiki

Reiki means Universal Life Energy. Many cultures dating back to ancient times have had the wisdom and knowledge that an unseen energy flows through all living things, and is directly related to the quality of health in life. Reiki addresses body, mind and spirit accelerating one's ability to heal one's self.

Reiki, as taught by its rediscoverer Dr. Usui has a simple set of procedures to follow, which were passed down to each of the Reiki Masters who follow his teachings. One's hands are placed strategically on the body. Reiki's use around the world and in hospitals, medical centers and Hospice continues to grow.

Reiki is easy to learn and is simple, effective and safe. Reiki allows everyone to connect with this unlimited energy and to transmit it through the hands, to themselves and others, **creating the space for improved health and enhanced quality of life.**

Students receive Reiki while learning Reiki.

John Crundall and Ellen Rose

John began teaching in 1991, in partnership with his beloved wife and spiritual teacher – Denise Crundall. Denise and John Crundall established the Usui Reiki Centre in Melbourne; a healing center which is run entirely by volunteers and funded by donations. There are now sister centers in other states in Australia, as well as California and Toronto, Canada.

Together, John and Denise inspired thousands of people around the world, teaching Reiki in Australia, Austria, Canada, Germany, Russia, Thailand and USA.

In June of 2002, Denise made her transition, and now, John, with the assistance of Reiki Master Ellen Rose, carries the Light of Reiki in Her name. Their journey continues through dedication and commitment to the Lineage and Love of Reiki. John and Ellen's warmth, wit and wisdom make them gentle and powerful teachers, and their love inspires all who step into the energy of Reiki to heal and discover their own spirituality.

We are committed to honoring our lineage from Dr. Mikao Usui to our Reiki Masters Denise & John Crundall and Ellen Rose.
