Reiki Masters Sharon Guller & Ingrid Boehm

are committed to honoring Dr. Mikao Usui teachings by providing Reiki and Reiki classes to enhance healing universally. Their journey continues through their commitment to the Love of Reiki and encourage all who step into the energy of Reiki to heal and discover their own spirituality.

Sharon Guller RN, MS, discovered in studying many non-Western healing methods, an instant connection with healing energy and the simplicity of Reiki. Receiving her Reiki I and II Training from Reiki Masters Denise and John Crundall in May, 2000, Sharon continued to practice Reiki and serve the Usui Reiki Center community, assisting with classes and retreats as a board member. Feeling the need for Reiki to be in the hands of more, Sharon trained with Reiki Master Donna Shaffer, becoming a Reiki Master Teacher in 2014.

Ingrid Boehm is passionate about Reiki and incorporates Reiki in her daily life. She completed Reiki I and II Training in 1996 with Reiki Masters Denise and John Crundall. Along with her husband Steve, they opened Usui Reiki Center in Santa Barbara in 1996, serving their community, coordinating Reiki classes and retreats. Fueled by her passion to have Reiki in the hands of many, Ingrid became a Reiki Master Teacher in 2018, initiated by Reiki Master Teacher Sharon Guller.
